TELECONFERENCE DATE: December 16, 2014

DATE OF DECISION: December 16, 2014

## **DECISION MADE ON CONSENT OF THE PARTIES**

[1] The Applicant applied for a *Canada Pension Plan* disability pension based on a serious injury to her arm. She was granted a disability pension in a decision of the General Division of this Tribunal. This decision was accepted by both parties.

[2] After the disability pension began to be paid to the Applicant, she turned 65 years of age. The Respondent replaced the Applicant's *Canada Pension Plan* disability pension with a *Canada Pension Plan* retirement pension. It is this decision that she appeals, seeking continuation of her disability pension payment after the date she turned 65.

[3] Counsel for the Respondent submitted that this matter should be placed before the General Division of this Tribunal, as the Tribunal has not made a decision regarding the decision being appealed. The Applicant agrees.

[4] For these reasons, the matter is referred to the General Division of the Social Security Tribunal for adjudication.
